DETAILED ACTION

Acknowledgment is made of the receipt of the amendment received on 7/21/03. Claims 1-7, 9-12, 16-23, 25-28, and 32-36 are currently pending.

Allowable Subject Matter

1. Claims 1-7, 9-12, 16-23, 25-28, and 32-36 are allowed.
2. The following is an examiner's statement of reasons for allowance: newly amended independent claims 1 and 17, as well as newly added independent claim 33, cite a means for providing a viewing area for assisting a user in positioning an apparatus over an image area of a first image disposed on a substrate; the image region including a visible object and coded embedded data indicating information about the visible object; the coded embedded data forming a uniform background for the visible object. The prior art of record (particularly the Nukui, Wang, and Chandler references) fail to teach, or fairly suggest either alone or in combination thereof, the coded embedded data forming a uniform background for the visible object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
